

On behalf of the USF Accounting Circle (the “Circle”), we present you with an opportunity to be recognized as a sponsor for the 2025–2026 academic year. In partnership with USF’s Lynn Pippenger School of Accountancy (the “School”), the Circle’s mission is to support the School, enhance student professional development, and promote student and faculty success through distinctive and impactful opportunities that engage the Tampa Bay business community.

Each year, we host dynamic events designed to educate students about career opportunities in accounting. These events provide networking opportunities with professionals and foster engagement between the School and our business community. *Accounting majors do not pay to attend any of these events.* Instead, the Circle raises funds to support students, faculty, and staff through corporate and individual sponsorships and our annual CPE conference. This year’s conference will be held May 21–22, 2026.
