The Education in Action Luncheon is designed to spark important conversations about advancing student outcomes, elevating the education profession, innovation in schools, and the many forces enhancing and challenging the education space, and more. The overarching theme of the annual Education in Action Luncheon is Celebrating & Innovating. This signature event will feature distinguished guest speakers and an interactive exposition area. Proceeds will benefit the Bulls United for Education Fund which provides supplemental support for the goals and purposes of the College of Education.

The USF College of Education strives to be a leader in regional, national, and international education. USF's leadership in education encompasses 1) research, scholarship, and inquiry that renews the educational process; 2) collaboration that serves communities, institutions, and individuals, and contributes to a just and productive society; and 3) preparation that builds on academic excellence, scholarship, and clinical practice.

For all sponsorship levels, please note the following: Pursuant to IRS guidelines, support is defined as a "Qualified Sponsorship", which means no endorsement of your business, qualitative or comparative language, price information or indication of savings or value can be included in written words or in program remarks. In essence, your organization can be acknowledged through simple use of your names, logo and location, but no message that promotes or markets and trade or business, or any service, facility or product is permissible.
